Day 2 Osaka (Osaka Castle), Nara (Todaiji Temple / Deer Park), Uji (Greentea Ceremony), Kyoto (Fushimi Inari Shrine)

In the morning we will travel to Osaka Castle by private coach. The construction of the castle began in 1583 on the ruins of the Ishiyama Honganji Temple. It was the largest castle of its time. From Osaka, our coach departs to Nara, the oldest capital city of Japan. We will visit Todaiji Temple, the largest wooden building in Japan. This temple also houses the largest bronze statue of Buddha at 16.3 meters high, and the surrounding park is filled with over 1,000 Sika deer. Then, we proceed to Uji where we will experience a traditional Japanese tea ceremony. From Uji, our coach departs to Kyoto, a historical city that was spared from air raids and atomic bomb for its cultural and historical value during World War II. We will visit to the stunning vermilion colored Fushimi Inari Shrine, whose 4km long tunnel of scarlet torii gates was featured in the film *Memoirs of a Geisha*. This complex wraps around a bamboo wilderness that includes mountains, streams, and ponds, the perfect backdrop for a scenic hike. We will stay two nights in Kyoto.

Day 3 Kyoto (Kiyomizu Temple / Nishijin Kimono Show / Golden Pavilion / Arashiyama - Tenryuji Temple Zen Garden - Bamboo Grove - Togetsukyo Bridge / Gion Geisha District)

Today we will continue our tour of Kyoto, once the capital of Japan and still considered its cultural center. First is a visit to the famous Kiyomizu Temple, best known for its wooden stage that juts out from its main hall, 13 meters above the hillside below. The stage affords visitors a nice view of the numerous cherry and maple trees below that erupt in a sea of color in spring and fall, as well as of the city of Kyoto in the distance. At the Nishijin Textile Center, you can view displays of kimonos and even watch a kimono fashion show. Visit the Kinkakuji Temple (Golden Pavilion) covered with 18 carat gold leaf. This three story structure was originally built by the Shogun Ashikaga Yoshimitsu in 1397. Next is a visit to Arashiyama to see Tenryuji Temple where you can have a glimpse of traditional Zen landscape garden design. Then proceed through a dense bamboo grove, past several small shrines, tea shops and private houses before arriving at the Togetsukyo Bridge over Hozu River. Day 4 Shinkansen Bullet Train Ride, Kanazawa (Kenrokuen Garden), Shirakawa-go, Takayama (Takayama Night Festival)

After breakfast, take a Shinkansen bullet train ride for experience, which can reach speeds of up to 300 km/hr. Then transfer to Kanazawa to visit Kenrokuen Garden, one of three most beautiful strolling gardens of Japan. The name Kenrokuen literally means a garden combining the 6 attributes of a perfect landscape: spaciousness, seclusion, artifice, antiquity, water features, and panoramas. Here, you'll find the oldest fountain in Japan and Kotoji-toro, the two-legged stone lantern that is the icon of Kenrokuen and Kanazawa. From Kanazawa we cross the mountains by coach to the rural area of Shirakawa-go (listed as a World Heritage site). In this very photogenic village, we will walk past thatch roof farm houses, through cultivated fields and see unspoiled Edo period wooden buildings. Then, we continue on to Takayama, where a festival that dates back to the 15th century will be heating up. This city is located amongst the Japan Alps and is known as "Little Kyoto" for its preserved historical structures and environment. Due to its remote position in the mountains, it was cut off from the rest of Japan for most of its history and thus has maintained a very unique and traditional atmosphere. This festival is also known as the Hachiman Festival because it is centered on Sakurayama Hachiman Shrine. It is held on the 9th and 10th of October to give thanks for a good harvest. The highlight of the festival is in the evening when colorful dashi (floats) are led through the streets amid cheers and drums. These ornate floats are decorated with intricate wood carvings and beautiful metal work that look even more amazing against the backdrop of fiery reds and oranges of vibrant autumn leaves.
