Day 2 Otaru (Otaru Canal / Sakaimachi Street - Kitaichi Garasukan - Otaru Music Box Museum), Sapporo (Clock Tower / Odori Park / Susukino)

In the morning we will travel to Otaru, renowned for its canals and glassblowing in Kitaichi Garasukan. During the first half of the 20th century, the Otaru Canal was a vital part of the city's busy harbor. The canal allowed large vessels to be unloaded onto smaller ones, then transported to local warehouses. Although the canal became obsolete when modern dock facilities allowed for the direct unloading of large vessels, the canal remains an integral part of the city's history and culture. As part of a citizen's movement in the 1980s, the canal was beautifully restored and former warehouses have been transformed into cafes, restaurants, museums, and shops. Next, we will visit glass workshops and Music Box Museum in Sakaimachi Street. In the afternoon, we will visit Sapporo city. The tour includes a visit to the Sapporo Clock Tower and Odori Park, where you can stroll along the promenade. The next stop is Susukino, Hokkaido's largest entertainment district. In the evening is for you to enjoy your free time.

In the afternoon, we will stop at Hokkaido's most famous hot spring resort, Noboribetsu Onsen. The valley generates 10,000 tons of bubbling water everyday, and visitors can walk to the nearby Oyunuma Lake and watch the plumes of steam rise. Tonight we will stay in a traditional Japanese style hotel in Noboribetsu offering hot spring baths.

Hiraizumi is now listed as a World Heritage site and is home to Konjiki-do (Golden Hall) within Chusonji Temple, which attempts to re-create an ideal Buddhism world. As such, it is host to an ensemble of exquisite "culture of gold" remnants from the brand of Buddhism that developed independently in the Tohoku region far away from the cultural center of Kyoto in the late Heian era of the 11th century. UNESCO has recognized this area as being a globally rare example of local culture to manifest on such a high level in the transitional period from the ancient era to the medieval period. We will visit the lavishly decorated Toshogu Shrine set in a grove of magnificent ancient Japanese cedars. Then, visit Futarasan-Shrine and the Rinnoji complex of Buddhist temples founded in 766 BC by the Buddhist hermit Shoto. Next is a visit to the Lake Chuzenji and Kegon Waterfall. The almost 100 meter tall Kegon Waterfall is the most famous of Nikko's many beautiful waterfalls. This city is located amongst the Japanese Alps and is known as "Little Kyoto" for its preserved historical structures and environment. Due to its remote position in the mountains, it was cut off from the rest of Japan for most of its history and thus has maintained a very unique and traditional atmosphere. We'll explore the old town of Takayama. Along the way you'll notice the huge cedar balls hanging from the eaves of several shops - these indicate that the shops are sake. Next, visit Takayama Jinya, the only traditional local government office in existence and a fine example of a miniature palace containing offices, an interrogation room with torture devices and a 440- year old rice granary.

The name Kenrokuen literally means a garden combining the 6 attributes of a perfect landscape: spaciousness, seclusion, artifice, antiquity, water features, and panoramas. Here, you'll find the oldest fountain in Japan and Kotoji-toro, the two-legged stone lantern that is iconic of Kenrokuen and Kanazawa. Next, experience a Shinkansen bullet train ride from Maibara to Kyoto, which can reach speeds of up to 300 km/hr. We will stay two nights in Kyoto, a historical city. At the Nishijin Textile Center, you can view displays of kimonos and even watch a kimono fashion show. Visit the Kinkakuji Temple (Golden Pavilion) covered with 18 carat gold leaf. From there we continue to Uji where we will experience a traditional Japanese tea ceremony. From Uji, our coach departs to Nara, the oldest capital city of Japan. We will visit Todaiji Temple, the largest wooden building in Japan. This temple also houses the largest bronze statue of Buddha at 16.3 meters high, and the surrounding park is filled with over 1,000 Sika deer.
