Today we will continue our tour of Kyoto, once the capital of Japan and still considered its cultural center. First is a visit to the Nijo Castle, built in the early 17th century. Ninomaru-goten, renovated in 1626, is a building renowned as a priceless example of the architectural style of that period. At the Nishijin Textile Center, you can view displays of kimonos and even watch a kimono fashion show. Visit the Kinkakuji Temple (Golden Pavilion) covered with 18 carat gold leaf. This three story structure was originally built by the Shogun Ashikaga Yoshimitsu in 1397. Next is a visit to Arashiyama to see Tenryuji Temple where you can have a glimpse of traditional Zen landscape garden design. Then proceed through a dense bamboo grove, past several small shrines, tea shops and private houses before arriving at the Togetsukyo Bridge over Hozu River. Day 4 Kyoto (Kiyomizu Temple), Koka (Miho Museum / Koka Ninja Mansion), Shinkansen Bullet Train Ride

This morning we will visit the famous Kiyomizu Temple, best known for its wooden stage that juts out from its main hall, 13 meters above the hillside below. The stage affords visitors a nice view of the numerous cherry and maple trees below that erupt in a sea of color in spring and fall, as well as of the city of Kyoto in the distance. We will then continue to Miho Museum. The museum has stunning architecture that accentuates the surrounding nature while exhibiting a variety of items from different ancient civilizations. It was designed by the renowned architect, I. M. Pei, and is named after Koyama Mihoko, one of the richest women in Japan and the founder of the museum. This museum is also listed as one of the "1000 Places to See Before You Die". From there, visit Koka Ninja Mansion. This mansion used to be resided in by ninja, equipped with many ingenious traps and devices, designed to prevent intruders and to provide a means of escape in times of need. Next, our group will experience a Shinkansen bullet train ride, which can reach speeds of up to 300 km/hr. After enjoying Japanese breakfast at the hotel, we will travel to Hakone and take a 20 minute ropeway from Togendai to Owakundani. Much of the area here is considered an active volcanic zone since its creation from the eruption of Mount Hakone some 3,000 years ago. There, you can experience hot springs and hot rivers, where sulfurous fumes still linger. Owakundani also has splendid views of Mount Fuji in good weather. From Hakone we will proceed to Mt. Fuji on our private coach. Along the way, enjoy the changing scenery, from thick vegetation to lowlands and rolling clouds. We will stop at Mt. Fuji 5th station (depending on weather) to admire the world famous peak. In the afternoon we will travel to Tokyo. Our last visit for this day is Shibuya. We will be able to see the famed Shibuya Crossing in action and cross the street with the crowd. We will then take photos with the Hachiko Statue at the crossing, which is a monument dedicated to a loyal dog that waited even after his master passed away.
