In the morning we will travel to Osaka by private coach. We will visit Osaka Castle, whose construction began in 1583 on the ruins of the Ishiyama Honganji Temple. The castle was the largest of its time and played a major role in the unification of Japan during the sixteenth century. From Osaka, our coach departs to Nara, the oldest capital city of Japan. We will visit Todaiji Temple, the largest wooden building in Japan. The temple also houses the largest bronze statue of Buddha at 16.3 meters high, and the surrounding park is filled with over 1,000 Sika deer. In the afternoon we will travel to Kyoto, a historical city that was spared from air raids and saved from the atomic bomb during World War II for its cultural and historical value. We will visit to the stunning vermilion colored Fushimi Inari Shrine, whose 4km long tunnel of scarlet torii gates was featured in the film *Memoirs of a Geisha*. This complex wraps around a bamboo wilderness that includes mountains, streams, and ponds, the perfect backdrop for a scenic hike. Then, we will visit the famous Kiyomizu Temple, best known for its wooden stage that juts out from its main hall, 13 meters above the hillside below. The stage affords visitors a nice view of the numerous cherry and maple trees below that erupt in a sea of color in spring and fall, as well as of the city of Kyoto in the distance.
