Day 2 Himeji (Himeji Castle), Kurashiki (Canal Area / Morita Sake Brewery), Hiroshima

Today we take a 2 hour ride on a private coach to Himeji to visit Himeji Castle. It is known as "White Egret Castle" and "White Heron Castle" because of its brilliant white exterior, resembling a bird taking flight. Himeji Castle is the largest and most visited castle in Japan, and is one of the few remaining original castles in Japan. This splendid example of traditional architecture was declared one of the first UNESCO World Heritage Sites in Japan. Next is a visit to Kurashiki. In merchant days, this scenic town thrived as a port for rice shipments. Several old rice granaries and examples of historic architecture still remain, in addition to the stone lined canal. Taste sake as you stroll along the streets of Kurashiki. In the afternoon, we will continue our journey to Hiroshima.

Day 3 Hiroshima (A-Bomb Museum / Peace Park / Okonomiyaki Making / Miyajima Island - Itsukushima Shrine), Shimanami Kaido (Scenic Driving)

Today we will visit the Peace Memorial Park and Atomic Bomb Museum. Next, we will try making a popular Japanese dish called Okonomiyaki. This dish is a mixture of batter, cabbage, and any of your favorite ingredients. The mixture is then cooked on a hot plate and flipped using a metal spatula. The dish can be made easily at home, so you can show off your new skills to your family. After lunch, we will take a short ferry ride to the island of Miyajima; the cherry blossoms on the island are spectacular to behold. At high tide, the famed vermilion torii gate of the Itsukushima Shrine looks like it's floating in the middle of the sea. The shrine complex is listed as a UNESCO World Heritage Site and Miyajima has been selected as one of Japan's three most scenic places (nihon sankei). In the afternoon, we will drive through the Shimanami Kaido to Shikoku Island. The Shimanami Kaido is a 60 kilometer long toll road that connects Japan's main island of Honshu to the island of Shikoku, passing over six small islands in the Seto Inland Sea. It is also known as the Nishiseto Expressway.

After breakfast, we continue our journey to Oboke Gorge, one of three hidden mountain regions of Japan. Oboke is the valley located upstream of the Yoshino-gawa River. "Boke" means "dangerous to walk along," and Oboke (big boke) was named for its jagged V-shaped rocks and narrow path which, no matter how carefully or slowly you walk, makes walking dangerous. Enjoy a relaxing boat ride and take in the panoramic view of the valley. Then, climb the 1,368 stone steps to the Kotohira-gu Shrine, a Shinto shrine. In Takamatsu we will visit Ritsurin Park, a masterpiece of Japanese landscape 100 years in the making. This sprawling park features beautiful ponds and pavilions, with Mt. Shiun as the perfect backdrop. From there, our private coach takes us across Awaji Island through a series of spectacular bridges. Osaka Aquarium (also known as Kaiyukan), Shinsaibashi (the largest shopping area in Osaka), Umeda (A large, exciting and very crowded underground mall underneath Osaka) and Universal Studios Japan, are within easy reach. Day 6 Osaka (Osaka Castle), Nara (Todai-ji Temple / Nara Deer Park), Kyoto (Fushimi Inari Shrine / Kiyomizu Temple)

In the morning we will travel to Osaka by private coach. We will visit Osaka Castle, whose construction began in 1583 on the ruins of the Ishiyama Honganji Temple. The castle was the largest of its time and played a major role in the unification of Japan during the sixteenth century. From Osaka, our coach departs to Nara, the oldest capital city of Japan. We will visit Todaiji Temple, the largest wooden building in Japan. The temple also houses the largest bronze statue of Buddha at 16.3 meters high, and the surrounding park is filled with over 1,000 Sika deer. In the afternoon we will travel to Kyoto, a historical city that was spared from air raids and saved from the atomic bomb during World War II for its cultural and historical value. We will visit to the stunning vermilion colored Fushimi Inari Shrine, whose 4km long tunnel of scarlet torii gates was featured in the film *Memoirs of a Geisha*. This complex wraps around a bamboo wilderness that includes mountains, streams, and ponds, the perfect backdrop for a scenic hike. Then, we will visit the famous Kiyomizu Temple, best known for its wooden stage that juts out from its main hall, 13 meters above the hillside below. The stage affords visitors a nice view of the numerous cherry and maple trees below that erupt in a sea of color in spring and fall, as well as of the city of Kyoto in the distance. We will stay three nights in Kyoto.

Day 7 Kyoto (Gion Summer Festival)

This morning, we will visit the Gion Summer Festival by train. The Gion Summer Festival, familiarly known as "Gion-san," is a festival held at Yasaka-jinja Shrine, and the highlight is the splendid pageant of some 30 floats called yamaboko proceeding along the main streets of Kyoto on the 17th. Each float, two-storied and about 6 meters tall, is topped with a long pole shaped like a spear. Adorned with exquisite craftwork such as woven fabric, dyed textiles and sculptures, these floats are so gorgeous that they are sometimes even described as "mobile art museums." During the parade, children wearing make-up and musicians playing the flute, drums and bells are seated on the second level of the floats. Some floats have dolls propped up on the second level. This festival is believed to have started 1,100 years ago when floats were made and paraded in the town to appease the deity of plague and illnesses.
