Experience a grand vacation to Japan by visiting all four of its main islands; the perfect introduction to the entire country.

All Japan Tours has organized our longest and most comprehensive guided group tour providing a true introduction to the entire country of Japan. Our Grand Tour of Japan offers a three-week-long excursion, traveling to all four main islands of Japan from the Northern Island of Hokkaido to the Southern Region of Kyushu. This itinerary caters to a wide variety of interests regarding Japanese culture, festivals, architecture, nature, rural villages, and modern city attractions. This tour is perfect for travelers who wish to discover the whole country and see all that Japan has to offer. Let All Japan Tours provide the transportation, comfortable accommodation, and an English-speaking guide, as we take you on the Grand Tour of Japan.

Starting in Hokkaido, visit the highlights of the Northern Island which include Sapporo, Otaru, Hakodate, and more. You will have the chance to see amazing attractions in the highlighted cities, including the Sapporo Clock Tower, the famous Otaru glassware shop: Kitachi Garasukan, and fresh food morning markets in Hakodate. Take in the views from Mt. Hakodate and visit Goryokaku Fort, a western-style fort surrounded by beautiful cherry blossoms in spring. Before leaving the island of Hokkaido, take the bullet train through the Seikan Undersea Tunnel which connects Hokkaido to the Japan’s main island, Honshu.

Once on the main island of Honshu make your way through Matsushima and Nikko, both known for their scenic views, temples, and shrines. In Nikko, visit Toshogu Shrine, where you will see the famous carving of the "See no Evil, Hear no Evil and Speak no Evil" monkeys. Visit famous attractions in Tokyo—Japan’s capital, such as Tokyo Tower and Asakusa Sensoji Temple. Unwind at your Japanese-style inn, where you can enjoy the natural baths of the hot springs before heading to the ancient city of Kyoto. You will have exclusive access to the city’s top gardens, temples, and shrines, and will enjoy a traditional green tea ceremony hosted by an apprentice geisha (maiko).

Travelers will also cross the Inland Sea to Shikoku Island by a scenic drive across Shimanami Kaido highway and visit Takamatsu, where you can visit one of Japan’s most beautiful landscape gardens. Pay a visit to Hiroshima, a city destroyed by an atomic bomb during World War II. Today, the city flourishes and offers shopping centers, beautiful gardens, and the Memorial Peace Park. Travel to Kyushu to visit hidden-gems in Beppu, Takachiho, Nagasaki, and Fukuoka. Watch 1,500 wild Japanese macaques monkeys in their natural habitat in Beppu and enjoy a trip to the mythological town of Takachihō, where you can watch as performers reenact the legend of Amaterasu, the Shinto Sun Goddess. Enjoy your last night in Japan with a Wagyu Beef dinner.

Each Grand Tour incorporates seasonal attractions such as cherry blossoms, baby blue eye flowers, wisteria, festivals, and more! For those looking for a thorough introduction to the country, this tour is a wonderful choice. Immerse yourself in the culture and be surrounded by the rich history of Japan.
